

Danger Dunwater Add Roleplaying Adventure Module

fantasy gamer #2 - warehouse 23 - praise for "quick thinking" and other various special duties. there is a lot of charting and exploring going on at this time. (it's like waiting for a time-bomb to go off!) **the city of skulls - xoth** - i had to add a few dialogue boxes of my own writing to fill in important roleplaying gaps in the original story lines. ... the arrive at the city of skulls in the talakma mountains, an ancient and forbidden city where they are sold as slaves and put on a slaver's ship. escaping, they return to the city of skulls in time to stop the wedding between zosara and the ruler of the forbidden city ...
